Dear Pastor and praying friends,

Over the past two months, we have been reminded once again of the importance and effectiveness of the prayers of God's people. When you pray for your missionaries, you are jumping in the trenches with us as we engage in the battle against the forces of darkness for the souls of men!

Thank you for praying for the requests that we included in our last letter. During the first two weeks in May, we conducted two different Vacation Bible Schools (VBS) in our city. During the first week, we held a VBS for the children in our neighborhood. We had a total of 34 children and young teens attending. At the end of the week, 10 of the children raised their hands indicating that they wanted to speak to us privately about believing in Jesus for salvation. The following week, Rut and Meng spoke to Randy privately, and both made a profession of faith in Jesus! Several of those who came to VBS as visitors are now attending the weekly Bible Club.

We also began renting a small building in a community across town called T'mey Village. During the second week of May, we conducted a second VBS in the new building with two different sessions. We had a total of 70 children and young teens attend. From this VBS we started another Bible Club on Sunday evenings. Pray that this new Bible Club would grow and gain traction in T'mey Village.

We are also excited to use the new building as an outreach post in two neighboring communities – T'mey Village and Kram Po'a-tape Village. There are no churches of any kind in these two communities, and we are praying that we can use this building for salvation Bible studies and special evangelistic meetings in the future. Please pray as we try to build relationships and start Bible studies in these communities.

Thank you for your prayers and support!
