

The Shull Family

Missionaries serving the people of Cambodia

Dear Pastor and Praying Friends,

May 2, 2017

“In all thy ways acknowledge him, and he shall direct thy paths.”

As I look back over the years that have led to the journey my family is now on, I can't help but think of the above verse. It was back in October of 2006 that the Lord called me into ministry and burdened my heart for the Cambodian people. Now, more than 10 years later, I can see how God has been directing our paths. It is so thrilling to know that our God directs our paths one step at a time! This deputation journey has been clear evidence of God's leading in our lives, and we are so grateful!

God's protection

As a missionary on deputation, many hours are spent traveling on the roads. I have been in several close calls on the roads since starting deputation. While traveling in Northern California, however, we were struck from behind while in stop-and-go traffic. We thank the Lord that all three of us were not injured in any way! Our car received a few scratches while the car who hit us was totaled. Thankfully, that driver was also not seriously injured. Both Naomi and I have been surprised that we did not receive any harm from the crash. We have no doubt that our safety is the result of God answering your prayers for us! Thank you for praying for our safety!

Sharing the burden

What a privilege it has been to be able to share our burden for Cambodia with nearly 40 churches. It has been a joy getting to tell people about a place that many have heard so little about. We are thankful to see many churches that still have a heart to send the Gospel to the unreached around the world. After 4 months of full-time deputation, we are now at 37% of our needed monthly support! Thank you for your prayers and support. We thank God for each of you!

For His Glory,

Randy Shull
