

Dear Praying Friends,

October/November, 2021

“Children are an heritage of the LORD”

We are excited to announce that the Lord has blessed with another baby girl! We are expecting the baby to arrive in early March of 2021. Both mom and baby are in good health. The smells of our local Khmer market do turn Naomi’s stomach, so Randy has been doing most of the shopping. The local market is the center of activity in most Cambodian towns, so shopping has offered Randy good opportunities to meet folks and pass out tracts.

Restrictions against gathering for worship remain in place, but the folks in our city are becoming more relaxed in their demeanor. It has been a joy to have different families and individuals visit with us in our home. Randy had the opportunity to spend a good while witnessing to a man named Bounna. We have also developed relationships with many members of his extended family. **Please pray that the seed that was planted would bring the fruit of salvation.**

To combat the pandemic, the government implemented contact tracing using QR codes which are scanned before entering any building. Now that people know how to use QR codes, we will be putting them on the back of Gospel tracts. Once scanned with a smartphone, these codes will lead to a video with that same tract being read and dramatized. Though the majority of people can read at an elementary level, the fact is that few people take the time to read even a short Gospel tract. We are praying that more people will hear the Gospel as a result of these videos.

Prayer Requests: 1. Pray the government will lift all restrictions on church gatherings. 2. Pray vaccine mandates do not interfere with Naomi’s ability to receive prenatal care. 3. Pray for the salvation of Bounna, Paul, Mallee, and their families. 4. Pray for the new tract and video distribution.

With love and gratitude,

Randy and Naomi Shull
